Dear Francesca,

March is a month of milestones for Curl San Diego. We've realized our incremental goal of 50 club members, we'll begin our largest Spring League to date and we've acquired one of the most coveted possessions in arena curling--a stone cooler!

Thank you to everyone for your time and hard work. Enjoy yourself out on the ice and keep spreading the word about our great club.

### Too Busy For Spring League?

Can't make all 11 league games but still wish you could do some curling this Spring? You've got options!

**Share a spot with someone else.** Teams can have 5 or 6 people on their rosters and then work out which 4 will play on which game day!

**Add yourself to the Sub List.** Let everyone know when you're available and fill in should a space become available.

Remember, Spring League is open to new and experienced curlers.

### Curl San Diego Gets a Stone Cooler

The logistics of arena curling can be extremely challenging but things are about to get a lot easier for San Diego curlers.

This week Curl San Diego is getting a walk-in stone refrigerator!

That means no more extra trips to the ice rink, no more shoveling snow, no more moving thousands of pounds of stones more than necessary and, best of all, it means no more stones burning into the ice because they're too warm!

Thank you to everyone who helped make this project come together quickly and for far less than the projected budget!
